We are proud to carry on the tradition of the small, independently owned neighbourhood business. Our mission is to connect, grow & strengthen our community - one that includes our staff, customers, neighbours, farmers & suppliers with whom we work. We support local and organic farming because we like good people, good food & we care about our planet.

Sharing the right to eat.

Mealshare is a non-profit that works with restaurants to help end youth hunger. It was started right here by two young Calgarians, Jeremy Bryant and Andrew Hall.

Blue Star Diner and Dairy Lane Cafe are proud to be Mealshare's Founding Partner Restaurants - we were the first restaurants to offer the program back in July 2013.

Our owner, Shayne, has been heavily involved since the beginning - initially helping to get the program off the ground, and now providing advice through his role on Mealshare's Board of Advisors.

BSD and DLC have shared nearly 50,000 meals through Mealshare. Blue Star Diner was proud to serve Mealshare's one millionth meal back in 2016.

We hope you enjoy your meal today, knowing that your orders are helping end youth hunger! As always, we're all in this together.
